

BC Certified Organic Program

Kootenay Organic Growers Society

→ Confidential when completed ←

Organic Crop Farm Plan and Inspection Report

This form is to be used for **initial** applications for farm crops: vegetables, small fruits, large fruits, nuts, grains, forage and greenhouses; unheated or under 315 m². Use the accompanying "Organic Crop Farm Plan Guide" to assist in completion of this form. This form must be completed on computer or with a black ink pen. Do not use pencil. Unless otherwise marked, columns on the right are reserved for the Verification Officer - do write in these boxes. Check all boxes that apply to what you have done in last 12 months or plan to do in the next 12 months. Answer all questions, including N/A (not applicable) Items marked with an * indicate a regulated product or practice - consult your standard for annotations. If you run out of room, use the space at the bottom of the form.

Section A: General Information

1. Name	2. Farm Name	3. Date:
4. Mailing Address	5. Physical location (Give directions for the Verification officer)	
6. Tel.	7. Fax.	File # Date received:
8. Email address:		Date reviewed: Reviewed by:
9. Managers Name & Tel.# (if different from above)		
10. Legal status of enterprise:		
11. Describe your total Land base owned/managed – organic, wild (bush, waste, Rocky), non-organic. (specify if acres or ha)		VO only:
Number of acres/ha farmed (including pasture)		
Farmed - for certification (acres/ha)		
Farmed - NOT for certification (acres/ha)		
Wild areas – managed organically (acres/ha)		
Wild areas – NOT managed organically (acres/ha)		
Residence and building(s) area (acres/ha)		
TOTAL AREA: CERTIFIED		
TOTAL AREA: NOT CERTIFIED		
TOTAL AREA: managed or owned (acres/ha)		
12. Have you ever been denied certification? Yes <input type="checkbox"/> No <input type="checkbox"/> If so, by what certification Body?		VO name: Date of inspection:
13. How long have you owned or managed this farm?		Time arrived: Time departed:

<p>14. Do you own and understand the current version of the Canadian Organic Standards (CGSB)? Yes <input type="checkbox"/> No <input type="checkbox"/> As you complete the Farm Plan you may need to refer to the standards.</p>	<p>VO only:</p>
<p>15. Any of your products labelled "certified organic" or "organic" can only be sold in BC. I agree: Yes <input type="checkbox"/> No <input type="checkbox"/></p>	<p>16. Check all farm activities, including non-organic: Grain/hay/pasture <input type="checkbox"/> Vegetable <input type="checkbox"/> Tree fruit <input type="checkbox"/> Small fruit <input type="checkbox"/> Livestock <input type="checkbox"/> Poultry <input type="checkbox"/> Eggs <input type="checkbox"/> Herbs <input type="checkbox"/> Nuts <input type="checkbox"/> Sprouts <input type="checkbox"/> Greenhouse <input type="checkbox"/> Bees <input type="checkbox"/> Mushrooms <input type="checkbox"/> other:</p>
<p>17. What kinds of production do you want certified? Land & Crops <input type="checkbox"/> Greenhouse <input type="checkbox"/> Processed products <input type="checkbox"/> Other:</p>	<p>VO Only:</p>
<p>19. Are parts of your operation not in the organic certification program including crops, greenhouse operations, livestock, or processed products? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, only your own consumption i.e. flocks of chickens? Yes <input type="checkbox"/> No <input type="checkbox"/> Please specify type and amount: Are you planning to sell product that has not been not grown and/or processed under the certified organic program? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, request, complete and submit a Split Operation Form from your CB</p>	
<p>ENVIRONMENTAL PROTECTION (CGSB Section 5.2)</p>	
<p>20. Have you completed an Environmental Farm Plan? Yes <input type="checkbox"/> No <input type="checkbox"/> Please send information <input type="checkbox"/></p>	
<p>21. What conservation practices are you creating or maintaining on your farm? Wetland protection <input type="checkbox"/> Wildlife habitat <input type="checkbox"/> Maintain/enhance windbreaks/ hedge (fence) rows <input type="checkbox"/> Perennial cover crops <input type="checkbox"/> Minimise soil erosion <input type="checkbox"/> Grazing management (crown & private land) <input type="checkbox"/> Sewage system maintained <input type="checkbox"/> Leaving weed stubble (the hollow stems of various weeds, particularly grasses, are nesting sites for some types of pollinating wasps and other beneficial insects) <input type="checkbox"/> Other:</p>	
<p>22. How do you protect watercourses and water quality? Plant buffers along stream banks <input type="checkbox"/> prevent manure/compost runoff <input type="checkbox"/> plant cover crops <input type="checkbox"/> manure/compost spread at optimum times <input type="checkbox"/> maintain equipment so fluids don't leak <input type="checkbox"/> Other:</p>	

<p>29. Have you imported soil? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, when and from where:</p>																										
<p>30. Have you applied sewage or septage (including composted sewage or bio-solids) to fields? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, indicate which fields and what dates:</p>																										
<p>31. Include a detailed diagram of your farm. Map is attached <input type="checkbox"/> Map has been sent by: Post <input type="checkbox"/> Email <input type="checkbox"/> Courier <input type="checkbox"/> Include a clear road map to your farm from the nearest larger community</p>																										
<p>32. Does the construction of your production buildings contain treated wood? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, how is this material isolated from contact with production? When was the treated wood installed?</p>																										
<p>33. Type (if any) of fence posts: cedar <input type="checkbox"/> other untreated soft or hardwood <input type="checkbox"/> steel <input type="checkbox"/> Other: _____ CCA treated <input type="checkbox"/> last installation date: CCA treated stockpile (numbers): Is stockpile kept covered? Yes <input type="checkbox"/> No <input type="checkbox"/></p>																										
<p>34. Water use table. Please complete for all uses of water on your farm.</p> <p>IMPORTANT: Water Test is required with Initial Application & every 3 years after.</p> <table border="1" style="width:100%; border-collapse: collapse;"> <thead> <tr> <th style="width:20%;">Source</th> <th style="width:20%;">Use</th> <th style="width:20%;">Method of delivery</th> <th style="width:20%;">Tested Y or N</th> <th style="width:20%;"></th> </tr> </thead> <tbody> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> </tbody> </table>		Source	Use	Method of delivery	Tested Y or N																					
Source	Use	Method of delivery	Tested Y or N																							

Section C: Protection from Contamination –Boundaries & Buffer Zones

<p>35. Are prohibited substances used on any land adjacent to your property? (This may be on farm land, roadway edges, ditches, forest land, railways, nurseries or aerial spraying) Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown <input type="checkbox"/></p>																			
<p>36. Are there adjacent roads, highways, railways, high-tension power lines, and gas lines? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please specify:</p>																			
<p>37. Have you established buffer zones around your property? Yes <input type="checkbox"/> No <input type="checkbox"/></p>																			
<p>38. Are Buffer Zones marked? Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/> If yes, how are they marked? Roadways <input type="checkbox"/> Fenced <input type="checkbox"/> Flagged <input type="checkbox"/> Different crop production in buffer zone <input type="checkbox"/> Other:</p>																			
<p>Are buffer zones marked on maps? Yes <input type="checkbox"/> No <input type="checkbox"/></p>																			
<p>39. Are you growing crops in your buffer zones? Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/> If yes, list fields and crops</p> <table border="1" style="width:100%; border-collapse: collapse;"> <thead> <tr> <th style="width:15%;">Field #</th> <th>Crop in buffer zone</th> </tr> </thead> <tbody> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> <tr><td> </td><td> </td></tr> </tbody> </table>	Field #	Crop in buffer zone																	
Field #	Crop in buffer zone																		
<p>40. What do you plan to do with the crop harvested from the buffer zone? sell as non-organic <input type="checkbox"/> feed to livestock that are not in the certification program <input type="checkbox"/> use for own consumption <input type="checkbox"/> other:</p>																			
<p>Ensure harvest records from crops harvested from buffer zones are kept.</p>																			

<p>41. If crops are harvested from buffer zones with equipment used for harvesting organic crops, do you have procedures in place to protect and isolate organic crops from buffer crops during harvest? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, do you:</p> <p>Harvest buffer crop after organic crop <input type="checkbox"/></p> <p>Clean machinery thoroughly after harvesting buffer crop <input type="checkbox"/></p> <p>Store buffer crop in isolated storage area (marked as such) <input type="checkbox"/></p> <p>Other:</p>	
<p>42. Do any fields or portions of fields flood frequently (every ten years)?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>If yes, list field numbers:</p>	
<p>43. Is there any indication of contamination of surface or ground water from nearby properties? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>If yes, indicate where:</p>	
<p>44. How do you monitor for crop contamination?</p> <p>Not needed <input type="checkbox"/> Visual observation <input type="checkbox"/> Residue analysis <input type="checkbox"/></p> <p>GMO testing <input type="checkbox"/> Photographs <input type="checkbox"/> Wind direction/speed data <input type="checkbox"/></p> <p>Contact with neighbours who spray <input type="checkbox"/></p> <p>Other:</p>	
<p>45. What additional safeguards do you use to prevent accidental contamination?</p> <p>None <input type="checkbox"/></p> <p>Written notification to:</p> <p>Highways departments <input type="checkbox"/> Electric utilities <input type="checkbox"/> Railways <input type="checkbox"/></p> <p>Adjoining landowners <input type="checkbox"/> Regional districts <input type="checkbox"/> Municipalities <input type="checkbox"/></p> <p>Gas line companies <input type="checkbox"/> No spray signs <input type="checkbox"/> Neighbours <input type="checkbox"/></p> <p>Other:</p>	
<p>46. Are prohibited materials or contaminants stored in the same areas where organic produce or harvest equipment are handled or stored? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>47. Describe the adjoining land use for fields bordering (not owned or managed) your property. Include all areas on all sites where your property borders another property.</p>	

Section D: Farming Equipment

<p>48. Do you own your own equipment?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/> If yes do you:</p> <p>Share equipment with other farmers? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>Clean equipment between each use? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>49. Do you rent equipment or hire someone with equipment to work on your farm?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/> If yes do you:</p> <p>Ensure their equipment is thoroughly cleaned before working on your farm?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>50. Where is your equipment maintained, and by whom? (Ensuring that no leaking equipment is in your growing areas)</p>	
<p>51. How is maintenance waste disposed of?</p>	

TILLAGE																																		
<p>56. Types of tillage: Subsoiling <input type="checkbox"/> Rotavating <input type="checkbox"/> Breaking disc <input type="checkbox"/> No-till <input type="checkbox"/> Mouldboard Ploughing <input type="checkbox"/> Spading (spader) <input type="checkbox"/> Discing <input type="checkbox"/> Garden fork <input type="checkbox"/> Chisel ploughing <input type="checkbox"/> Cultivating <input type="checkbox"/> Rototilling <input type="checkbox"/> Garden spade <input type="checkbox"/> Other: _____</p>																																		
<p>57. How do you mitigate damage to soil from tillage? Do not till when soil is too wet <input type="checkbox"/> No-till farming <input type="checkbox"/> Permanent crops <input type="checkbox"/> Minimum tillage farming <input type="checkbox"/> Long rotations <input type="checkbox"/> Use less destructive equipment <input type="checkbox"/> Mulch with organic materials <input type="checkbox"/> Compost application (build organic matter) <input type="checkbox"/> Perennial cover crops in rotation <input type="checkbox"/> None <input type="checkbox"/> Other: _____</p>																																		
SOIL FERTILITY (CGSB – Section 5.4)																																		
<p>58. Have you had a soil analysis prepared? Yes <input type="checkbox"/> No <input type="checkbox"/> If no, why not? _____</p> <p>IMPORTANT: You must submit a soil test with this application, and every 3 years thereafter.</p>																																		
<p>59. What are your soil nutrient deficiencies? Nitrogen <input type="checkbox"/> Potassium <input type="checkbox"/> Sulphur <input type="checkbox"/> Organic matter <input type="checkbox"/> Phosphorous <input type="checkbox"/> Unknown <input type="checkbox"/> Micro-nutrients <input type="checkbox"/> Other: _____</p>																																		
<p>60. Do you have problems with? Soil alkalisation <input type="checkbox"/> Soil salt <input type="checkbox"/> Erosion <input type="checkbox"/> Compaction <input type="checkbox"/> Acidification <input type="checkbox"/></p>																																		
<p>61. Indicate major components of your soil improvement and fertility program: Crop Rotations <input type="checkbox"/> Incorporation of crop residues <input type="checkbox"/> Strip cropping <input type="checkbox"/> Compost <input type="checkbox"/> Green manure <input type="checkbox"/> Cover crops <input type="checkbox"/> Interplanting <input type="checkbox"/> Rock dust <input type="checkbox"/> Soil inoculants <input type="checkbox"/> On-farm manure <input type="checkbox"/> Off-farm manure <input type="checkbox"/> Biodynamic preparations <input type="checkbox"/> Subsoiling <input type="checkbox"/> Foliar fertilisers <input type="checkbox"/> Side dressing <input type="checkbox"/> Summer/black fallow <input type="checkbox"/> Conservation tillage <input type="checkbox"/> Drainage <input type="checkbox"/> Compost from off-farm <input type="checkbox"/> Other: _____</p>																																		
<p>62. Complete the following table for soil & fertility inputs that you plan to use over the next 12 months, including fertility products in greenhouses: I Do not use Soil or fertility Inputs <input type="checkbox"/></p> <table border="1" style="width:100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 20%;">Product</th> <th style="width: 20%;">Brand Name</th> <th style="width: 20%;">Status from Materials List</th> <th style="width: 20%;">Reason for use</th> <th style="width: 20%;"></th> </tr> </thead> <tbody> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> <tr><td> </td><td> </td><td> </td><td> </td><td> </td></tr> </tbody> </table>					Product	Brand Name	Status from Materials List	Reason for use																										
Product	Brand Name	Status from Materials List	Reason for use																															

<p>68. Will you use cover crops or green manure this year? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>If yes, please identify: Annual rye <input type="checkbox"/> Fall rye <input type="checkbox"/> Vetch <input type="checkbox"/> Clover, annual <input type="checkbox"/></p> <p>Clover, perennial <input type="checkbox"/> Buckwheat <input type="checkbox"/> Cereal <input type="checkbox"/></p> <p>Other:</p>	
---	--

MANURE AND COMPOST (CGSB – Section 5.5)

<p>69. If you compost on-farm, do you follow the Code of Agricultural Practice for Waste Management (Waste Management Act)?</p> <p>Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
---	--

<p>70. Do you plan to use uncomposted (raw) manure? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>If yes, where is it applied? Before a Green manure crop <input type="checkbox"/> Forage <input type="checkbox"/></p> <p>Crops for human consumption <input type="checkbox"/></p> <p>Other:</p>	
--	--

<p>71. On-farm compost source of manure:</p> <p>Organic manure from your farm <input type="checkbox"/> Non organic manure from your farm <input type="checkbox"/></p> <p>Organic manure from another farm <input type="checkbox"/> Non-organic manure from another farm <input type="checkbox"/></p> <p>If bringing onto the farm manure from another farm, you must provide proof of its organic nature, or if it's not organic you must compost it properly for a minimum of one year before using the compost on your growing areas. Keep a written record of any off farm manures brought onto the farm (e.g. source, type, date, location, etc)</p> <p>Source of manure animal species:</p>	
--	--

<p>72. Other ingredients in your compost: Crop residue <input type="checkbox"/> Weeds <input type="checkbox"/></p> <p>Leaves <input type="checkbox"/> Straw <input type="checkbox"/> Shavings/sawdust <input type="checkbox"/> Hay <input type="checkbox"/></p> <p>Abattoir waste (on-farm) <input type="checkbox"/> Fish waste(wild) <input type="checkbox"/> Fish waste (farmed) <input type="checkbox"/> Abattoir waste (off-farm) <input type="checkbox"/> Paper or cardboard <input type="checkbox"/> Mushroom waste <input type="checkbox"/></p> <p>Other:</p>	
--	--

<p>73. Identify the potential contaminants in your compost:</p> <p>Antibiotics <input type="checkbox"/> GMOs <input type="checkbox"/> Steroids <input type="checkbox"/> Parasiticides <input type="checkbox"/> Pesticide residue <input type="checkbox"/></p> <p>Heavy metals <input type="checkbox"/> Plastic <input type="checkbox"/></p> <p>Other:</p> <p>If there is a risk of a GMO product that is a whole grain, (e.g. used as a food source) in your compost, you must keep written records of how you have dealt with this issue.</p>	
--	--

<p>74. On-farm composting: In vessel <input type="checkbox"/> Windrows <input type="checkbox"/> Static pile <input type="checkbox"/></p> <p>Aerated pile <input type="checkbox"/> Sectioned bins <input type="checkbox"/> I turn my compost <input type="checkbox"/></p> <p>I don't turn my compost <input type="checkbox"/> Other:</p> <p>How often do you turn compost?</p> <p>Ageing time:</p>	
---	--

82. If you use pelleted seed, are all ingredients in pelleting allowed for organic production? Yes No Unknown

83. If you purchase planting stock, complete the following table. For non-organic perennial transplants, indicate the date of planting. Don't purchase planting stock
If non-organic planting stocks are used, written documentation of your search for organic planting stock is required. Please provide to Vo.

Supplier	Planting stock type or variety	Organic (O)	Non-organic (N) + date of planting	

84. Do you plan to use organic planting stock? Yes No
 If not, why?
 They don't carry my varieties Don't know where to look
 Not commercially available
 Other:

85. Will you purchase annual seedlings? Yes No Unknown
 If yes, please list supplier(s):

SEEDLING PRODUCTION AND GREENHOUSE OPERATIONS (CGSB – Section 5.3 & 7.5)

86. Do you grow organic seedlings on your farm? Yes No
 Do you plan to grow and sell seedlings? Yes No

87. Approximate growing area under cover:

88. What type of growing system in your greenhouse?
 Plastic trays (seedlings) Wooden trays (seedlings)
 Styrofoam trays (seedlings) Peat pots (seedlings)
 In the ground Constructed beds Pots/buckets Plastic bags
 Other:

89. Do you apply inputs through irrigation lines? Yes No
 If yes, please specify:

<p>90. Do you use products to clean irrigation lines? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, describe:</p>	
<p>91. Do you use products to clean flats, pots, etc? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, describe:</p>	
<p>92. Will you be using a commercial a soil mix for seedlings or containerised plants? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please specify:</p> <p>On COABC Brand Names list as allowed? Yes <input type="checkbox"/> No <input type="checkbox"/> Unknown <input type="checkbox"/></p>	
<p>93. Do you prepare your own soil mix for seedlings, or containerised plants? Yes <input type="checkbox"/> No <input type="checkbox"/> List all ingredients used in potting mixes: Sand <input type="checkbox"/> Compost <input type="checkbox"/> Garden soil <input type="checkbox"/> Perlite <input type="checkbox"/> Vermiculite <input type="checkbox"/> Bone meal <input type="checkbox"/> Blood meal <input type="checkbox"/> Fish meal <input type="checkbox"/> Peat moss <input type="checkbox"/> Lime <input type="checkbox"/> Greensand <input type="checkbox"/> Rock phosphate <input type="checkbox"/> Earthworm castings <input type="checkbox"/> Other:</p>	
<p>94. How do you prevent disease, weeds, and insect problems? Ventilation <input type="checkbox"/> Proper spacing <input type="checkbox"/> Plant nutrition <input type="checkbox"/> Temperature control <input type="checkbox"/> Humidity control <input type="checkbox"/> Beneficial insects <input type="checkbox"/> Beneficial nematodes <input type="checkbox"/> Poultry <input type="checkbox"/> Optimum irrigation <input type="checkbox"/> Soil nutrition <input type="checkbox"/> Hand weeding <input type="checkbox"/> Freezing over winter <input type="checkbox"/> Crop rotation <input type="checkbox"/> Cover crops <input type="checkbox"/> Other:</p> <p>Provide records of management/treatment to VO.</p>	
FARM WEED MANAGEMENT PLAN (CGSB – Section 5.6)	
<p>95. Major problem weeds</p>	<p>Control plan</p>

96. Weed management techniques you plan to use:
 Crop rotation Field preparation Smother crops Mowing Timing of seeding
 Hand weeding Stale seedbed Delayed seeding Weed set prevention Grazing
 Rod weeding Allopathic crops Cultivation Flame weeding
 Sanitary border Quick emerging plants Soil temperature monitoring
 Selectively leaving weeds
 Other:

PEST MANAGEMENT (CGSB – Section 5.6)

97. Identify pests you expect to have problems with: Birds Deer Rodents Slugs
 Cutworms Flea beetle Wireworm Cabbage moth Mites Carrot rustfly
 Aphids Nematodes Codling moth Thrips Leatherjackets Grasshoppers
 Spinach beetle Colorado potato beetle Lygus bug Root maggots Leaf miner
 No pests Don't know yet
 Other:

98. What pest control strategy do you, or will you use to control pests?
 Crop rotation Develop predator habitat Timely cultivation Sanitation
 Remove/avoid pest habitat Sanitation Time planting to avoid pests
 Heavy seeding companion planting Frog ponds Pruning Trap crops
 Bat or bird houses Handpicking Monitoring Exclusion
 Intercropping Physical barriers Predator/parasite release Traps
 Pheromones Repellents Accept limited loss Not needed
 Other:

99. What pests are, or do you expect will be your biggest problem? None

Pest	Pest control strategy	

100. What pest control products do you, or will you use this year? None <input type="checkbox"/>					
Material	Brand or supplier	Allowed (A) or Regulated (R) COABC list?	Where used	What pest?	
101. Do you keep records when you use pest control inputs on a specific crop? Yes <input type="checkbox"/> No <input type="checkbox"/> Don't use any <input type="checkbox"/>					
Where do you store pesticides?					
Provide records of treatment to VO.					
DISEASE MANAGEMENT (CGSB – Section 5.6)					
102. Disease management techniques you use or plan to use: Good Plant spacing <input type="checkbox"/> Crop rotation <input type="checkbox"/> Resistant varieties <input type="checkbox"/> Sanitation <input type="checkbox"/> Vector management <input type="checkbox"/> Companion planting <input type="checkbox"/> Compost <input type="checkbox"/> Compost tea <input type="checkbox"/> Water management <input type="checkbox"/> Rouging <input type="checkbox"/> Timing of planting <input type="checkbox"/> Timing of cultivation <input type="checkbox"/> Appropriate varieties <input type="checkbox"/> Monitoring weather <input type="checkbox"/> Appropriate pruning <input type="checkbox"/> Use of IPM scouts <input type="checkbox"/> Other:					
103. List diseases do expect to be your biggest problems and the prevention techniques you use or plan to use:					
Problem disease	Disease management techniques				

<p>104. If you plan to use disease management input materials, list then here (include brand name):</p>	
---	--

Section F: Orchard and Small Fruit

<p>105. Describe your orchard floor between rows: Do not grow orchard or berry crops <input type="checkbox"/> - Skip section E Bare earth <input type="checkbox"/> Cultivated earth <input type="checkbox"/> Grass <input type="checkbox"/> Compost <input type="checkbox"/> Sawdust <input type="checkbox"/> Straw mulch <input type="checkbox"/> Green manure <input type="checkbox"/> (specify type): other:</p>	
--	--

<p>106. Describe orchard floor between trees or bushes: Bare earth <input type="checkbox"/> Cultivated earth <input type="checkbox"/> Grass <input type="checkbox"/> Sawdust <input type="checkbox"/> Straw mulch <input type="checkbox"/> Compost <input type="checkbox"/> Green manure <input type="checkbox"/> (specify type): Other:</p>	
---	--

<p>107. Describe how you manage your orchard floor - provide details of mowing, cultivating, mulching, grazing and timing of these activities:</p>	
--	--

<p>108. Do you have a no windfall's policy? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
--	--

<p>109. Do you use any other operators or contractors for spraying, fertilising, pruning, training, thinning etc? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
--	--

Section G: Harvest, Processing & Transport

<p>110. Harvest containers: Wooden totes/bins <input type="checkbox"/> Plastic totes <input type="checkbox"/> Steel/wire tote <input type="checkbox"/> Cardboard boxes <input type="checkbox"/> Waxed cardboard boxes <input type="checkbox"/> Natural fibre baskets <input type="checkbox"/> Plastic pails <input type="checkbox"/> Burlap sacks <input type="checkbox"/> Grain truck <input type="checkbox"/> Link box <input type="checkbox"/> Silage wagon/truck <input type="checkbox"/> Other:</p>	
<p>111. Are harvest containers put to any other use? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, what other uses? Are they used for organic crops only? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>112. Did you purchase harvest containers new? Yes <input type="checkbox"/> No <input type="checkbox"/> If used, what was their previous use?</p>	
<p>113. Are harvest containers labelled as such? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>114. How do you wash/sanitise harvest containers? Spray hose water <input type="checkbox"/> Pressure washer <input type="checkbox"/> Don't need to <input type="checkbox"/> Other: Do you use a cleaning agent? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please specify:</p>	
<p>115. How do you wash and sanitise packing/washing area? Don't need to <input type="checkbox"/> Spray hose <input type="checkbox"/> Power washer <input type="checkbox"/> Do you use a cleaning agent Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please specify:</p>	
<p>116. Do you wash your produce? Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/> If yes, do you use any additives in your produce wash water? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please specify: Are you aware of the Canadian Food Inspection Agency regulations regarding the use of potable water for washing human food products? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>117. Is any washing, grading, or packing done off-site? Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/> If yes, where: If yes, is this facility certified organic? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>118. Will you use new final packaging containers? Yes <input type="checkbox"/> No <input type="checkbox"/> N/A <input type="checkbox"/> If not, please specify what you will be using for final packaging containers:</p>	

<p>119. Do you have separate storage area for packed product? Yes <input type="checkbox"/> No <input type="checkbox"/> Refrigerated cooler <input type="checkbox"/> Ventilated cool room <input type="checkbox"/> Enclosed delivery vehicle <input type="checkbox"/> Root cellar <input type="checkbox"/> Other: Off-site facility <input type="checkbox"/> Describe:</p>	
<p>120. Do you do any post- harvesting handling? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, describe:</p>	
<p>121. Do you have bulk storage facilities? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, please describe: Root cellar <input type="checkbox"/> Grain bins <input type="checkbox"/> Silage pit/silo <input type="checkbox"/> Hay shed/barn <input type="checkbox"/> Climate-controlled building <input type="checkbox"/> Shed <input type="checkbox"/> Other: Off-site facility <input type="checkbox"/> Please give details (name, address), Is it certified organic? Yes <input type="checkbox"/> No <input type="checkbox"/> If no, complete an Independent Storage Facility form from your CB</p>	

<p>122. Complete for grain or other permanent bulk bins used for long term storage: N/A <input type="checkbox"/></p>					
ID #	Style and Capacity	Location	Volume & harvest year	Contents	
<p>123. Will you be labelling your product? Yes <input type="checkbox"/> No <input type="checkbox"/></p> <p>What kind of labels? Printed boxes <input type="checkbox"/> Printed bags <input type="checkbox"/> Bin or bag tags <input type="checkbox"/></p> <p>Box labels <input type="checkbox"/> Stickers on product <input type="checkbox"/> Stickers on containers <input type="checkbox"/></p> <p>Other: _____</p> <p>Are you aware that labels for transitional or certified organic product must be submitted to your CB for approval before use? Yes <input type="checkbox"/> No <input type="checkbox"/></p>					
<p>124. Who is responsible for the labels on your product? Myself <input type="checkbox"/> Retailer <input type="checkbox"/></p> <p>Buyer <input type="checkbox"/> Packing house <input type="checkbox"/></p> <p>Other: _____</p> <p>If someone other than yourself, provide the details:</p>					

<p>131. Transport method: Personally owned vehicle <input type="checkbox"/> Commercial carrier <input type="checkbox"/> Co-operatively managed transport (marketing group) <input type="checkbox"/> Is vehicle enclosed? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	
<p>132. Are there potential contamination or commingling problems with your transport method? Yes <input type="checkbox"/> No <input type="checkbox"/> If yes, describe: Carrier handles organic and non-organic product <input type="checkbox"/> Truck is open-topped and product uncovered <input type="checkbox"/> Other:</p>	
<p>133. What steps are being taken to protect the integrity of your organic product during transport? Dedicated organic only <input type="checkbox"/> Inspection of units before loading <input type="checkbox"/> Cleaning units before loading <input type="checkbox"/> I deliver myself <input type="checkbox"/> Written agreement with carrier <input type="checkbox"/> Other : (if other briefly describe)</p>	
<p>134. Market: Wholesale <input type="checkbox"/> Direct to retail <input type="checkbox"/> Farm gate <input type="checkbox"/> Farmers' market <input type="checkbox"/> Processor <input type="checkbox"/> Broker <input type="checkbox"/> Box delivery scheme <input type="checkbox"/> Restaurants <input type="checkbox"/> CSA <input type="checkbox"/> Other: (specify)</p>	

Section H: Records

*******COMPLETE RECORD KEEPING IS REQUIRED FROM RECEIPT OF ALL INPUTS TO RELEASE OF PRODUCT (CGSB - Section 4.4)*******

<p>135. Indicate the records you use (have current copies ready for inspection by VO):</p> <ul style="list-style-type: none"> <input type="checkbox"/> Planting records <input type="checkbox"/> Receipts for purchased inputs (such as fertilisers, sprays, compost, etc) <input type="checkbox"/> Input Log (material application records) <input type="checkbox"/> Farm gate/farmers' Market daily sales records by crop <input type="checkbox"/> Equipment Cleaning Log <input type="checkbox"/> Spray Record <input type="checkbox"/> Harvest Record (amounts and dates) <input type="checkbox"/> Storage records that show storage location, storage identification, production area, amounts stored, and cleaning activities <input type="checkbox"/> Copies of organic certificates for any produce that is being handled, re-sold or processed <input type="checkbox"/> Sales records (purchase order, contract, invoice, cash receipts, cash receipt journal, sales journal, etc.) for both organically produced products and non-organically produced products. <input type="checkbox"/> Customer Complaint Log (asked to keep record of any complaints. <p>136. How long do you keep your records? 5 years <input type="checkbox"/> Unknown <input type="checkbox"/></p>	
<p>137. If you have crops of different organic status (organic/non-organic/transitional/buffer), will your record keeping procedures track the separation of product? Yes <input type="checkbox"/> No <input type="checkbox"/></p>	

You will be required to submit an application that updates this plan each year. Keep a copy of this Farm Plan as a reference for updating it in the future. This application is part of your farm records and must be kept with farm records.

Section H Notes & Affirmations

138. Use this area to add information that may provide assistance to the Certification Committee who will review your application.

139. ORGANIC OPERATOR AFFIRMATION

I affirm that all statements made in this application are true and correct. I understand that the operation may be subject to unannounced inspection and/or sampling for residues at any time as deemed appropriate to ensure compliance with the BC Certified Organic Program.

I agree to allow the VO and/or members of the Certification Committee and the COABC Accreditation Board auditor access to all areas of my farm and to my records, including: inputs, production, processing, handling sales, and products purchased for resale, from both organic and non-organic production.

I understand that acceptance of this document in no way implies granting of certification by the Kootenay Organic Growers Society. I agree to provide further information as required by the Kootenay Organic Growers Society. I have read, understood, and agree to comply with the Kootenay Organic Growers Society constitution, bylaws and Production Standards. I understand that any wilful misrepresentation will result in de-certification. If, at any time, de-certification occurs, when you have not met the certification criteria of the BC Certified Organic Program, you must surrender your certificate to Kootenay Organic Growers Society within 2 weeks.

I understand that this completed document is confidential information according to the policies of the BC Certified Organic Program. Membership and certification status is public information.
